

Privacy Policy

We are very delighted that you are interested in our company. Protection of your personal data is of particular high importance for our company. The use of our website is possible without any personal details. If you wish to enlist our services processing of personal data will become necessary.

The processing of personal data, such as name, address, e-mail, or phone number shall always be in line with Art. 6 (1) General Data Protection Regulation (GDPR). This means that we process data of a data subject only,

- if the data subject has given its consent to processing,
- if processing is necessary for the performance of a contract to which the data subject is party or
- if processing is necessary in order to take steps at the request of the data subject prior to entering into a contract.

Personal data will be stored for as long as is considered necessary for the purpose for which they were collected, except for cases where there is a legal requirement to be retained for longer periods.

Personal data will not be shared with third parties, unless we are required by law or if sharing of data is necessary for the performance of a contract (e.g to a parcel service for delivery or to a bank for payment). In such cases we minimize the scale to the bare essentials

We maintain suitable technical and organizational security processes to protect all the data that we hold from unauthorized access, from intended manipulations as well as by chance, and from partial or entire loss. These processes are checked constantly and they are kept to the state of the art.

Data subject has the right to contradict the processing of personal data at any time. Contradiction can be sent informally via e-mail to mail@r-concept.de or by letter to r-concept, Leibnizstr. 22, DE-88471 Laupheim.

This processing of data takes place in line with Art. 6 (1) GDPR. It is necessary for the purposes of the legitimate interests pursued by our company. Collected data will never be used to allow a conclusion to be drawn about the data subject.

Our website uses SSL process with the best encryption algorithm that is supported by your device. This can be seen from the closed padlock in the status line of the browser.

Rights of the data subject

Each data subject has at any time the right to obtain

- information which personal data are processed, why these data are processed, which are the purposes of processing, about the categories and how long the data will be stored,
- the rectification of inaccurate personal data concerning him or her without undue delay,
- the completion of incomplete personal data,
- the erasure of personal data without undue delay, unless processing is necessary for exercising the right of freedom of expression and information, for compliance with a legal obligation, for reasons of public interest or for the establishment, exercise or defence of legal claims,
- the restriction of processing if, among other things, the accuracy of the personal data is contested or if the processing is unlawful.

Data subject has the right to receive personal data concerning him or her in a structured, commonly used and machine-readable format. He or she has the right to transmit those data to another person of its own choice, unless the rights and freedom of other persons are affected.

In particular, the data subject has the right to object to processing of personal data and to complain about processing of personal data at the appropriate authorities.
